SUMMARY

I am a results-driven software engineer with over 3+ years of experience specializing in Microsoft .NET development. Currently contributing to Infosys, I leverage my expertise in C#, .NET Core Web API, Microservices, Angular, SQL, Azure, and Azure DevOps to build scalable, high-performance software solutions. My strong background in database management, project planning, and quality assurance ensures efficient development and seamless deployments, driving innovation and delivering high-quality results.

EXPERIENCE

Senior System Engineer (Dot Net Developer)

Infosys Ltd. 12/2021 - Present Chandigarh, India

- .NET Development & Microservices:** Designed and developed scalable, high-performance microservices using C# and .NET Core Web API, ensuring optimized application performance and maintainability.
- Frontend Development:** Built dynamic and responsive Angular applications, improving user experience and interface efficiency.
- Database Management:** Optimized SQL queries, implemented stored procedures, and ensured data integrity for seamless backend operations.
- Cloud & DevOps Integration:** Streamlined Azure cloud deployments and automated CI/CD pipelines using Azure DevOps, reducing deployment time and enhancing software reliability.
- Project Planning & Quality Assurance:** Led end-to-end project planning, code reviews, and rigorous testing, ensuring high-quality software deliverables and adherence to best practices.
- Collaboration & Innovation:** Worked closely with cross-functional teams, driving innovation and implementing best practices to improve development workflows and system architecture.

Technical Business Analysis Engineer

Conduent Business Pvt. Ltd. 10/2021 - 12/2021 Noida, India

- Requirement Analysis & Solution Design:** Gather business requirements, translate them into technical specifications, and design scalable solutions.
- Process Improvement & Collaboration:** Optimize workflows, enhance automation, and coordinate with stakeholders for seamless implementation.

EDUCATION

Bachelor of Technology in Computer Science and Engineering

JSS Academy of Technical Education Noida U.P.

08/2018 - 08/2021 Noida, India

Diploma In Computer Science and Engineering

Board of Technical Education Uttar Pradesh

08/2015 - 06/2018 Gonda, India

LANGUAGES

Hindi

English

SKILLS

Agile API Design ASP.NET

Azure Azure Devops Bootstrap

CSS Entity Framework GitHub

HTML JavaScript jQuery MVC

REST SQL Unit Testing

RESTful API ASP.NET WebApi

Microservices .NET Angular

.Net Core

PROJECTS

Blog Website

2023 - 2024

Building a Responsive Blogging Platform with User Authentication

- Implemented secure user authentication and content management.
- Enhanced user engagement and accessibility with features like comments, profiles, and responsive design.

Talk Talk

01/2022 - 03/2024

Legacy Modernisation and Technology Upgrade

- Orchestrated migration to .NET Core 6 for improved scalability, optimizing code and database efficiency.
- Demonstrated expertise in legacy modernization, RESTful API design, and cross-functional teamwork.

Movie Store

10/2021 - 12/2021

Building User-Friendly Interfaces and Secure Admin Modules

- Crafted an intuitive movie search & viewing interface.
- Engineered an efficient admin module for seamless movie addition and content management using .NET Core MVC and robust security measures.
